KINDNESS, RESPECT, COURAGE, EXCELLENCE

YEAR 1 SCHOOL TRIP

Swifts and Sparrows classes spent the day at Wakehurst on Tuesday celebrating the end of their Enchanted Woodland topic.

The children explored the potting shed and the equipment the gardeners used. They found out what a seed needs to germinate and grow into a plant. Each child planted a sunflower seed which we look forward to seeing fully grown.

The children also took part in pond dipping. They observed the creatures under a magnifying glass. Using a key, they worked scientifically to identify and name what they found. This included: water boatmen, leech, nymph, newt and snails.

We finished a day in the sunshine with a woodland walk and an explore on the tree stump trail. The children behaved impeccably and made all of the adults that attended very proud!

E-SAFETY MEETING FOR PARENTS

Thank you to the parents who attended one of our E-Safety meetings this week, we hope you found them informative about the latest advice as we all try to keep up with technology! The presentation is available on our website under About Us/Safeguarding/E-Safety - <http://www.salfordsschool.org/373/e-safety>.

DOGS ON LEADS

We ask that all dog owners are courteous to our school population of children and adults by keeping their dogs on a lead. Several people are scared of dogs and owners need to be fully in control. May we also remind you that dogs are not allowed within the school boundaries.

DONATION REQUESTS FOR BREAKFAST POD, THRIVE & LUNCHTIME LOUNGE

We would be grateful for any old, complete, unwanted games etc for our provisions that support our social and emotional programme of support. Please pass to the office.

COLOURING COMPETITION
 Congratulations to Philippa in Y4 who came 3rd in the Horley Association of Traders (HATs) colouring competition. Her prize is to be awarded shortly.
